FR. BEN'S COLUMN**Be courageous enough to believe and believe big.**

Do you know how the cell phone works? How is it possible for hundreds of millions of cell phones to operate all at once and everyone get the call that is intended for them and there are no crossed "lines," no wires? I remember our family getting a land line phone. At that time, some people in Ireland still had exchanges that connected caller to caller through an operator. How is it possible to send a tiny camera into someone's blood stream, without wires, and detect what is happening in the body? How do pictures move through the air and reappear on my TV set? Heart transplants, kidney transplants, limb replacement surgery, all sorts of surgeries once thought impossible are now done everywhere, every day. Sending people into space and back alive has become common, but many of us can remember when dogs, monkeys and eventually men were sent into space and it was considered incredible, dangerous, and forgive the pun, out of this world. Now it is so ordinary, it has become tourism. Scientists can see the tiniest particles of matter, cells, DNA, protons, neutrons, stars at the outer reaches of space – which now are not considered the outer reaches, but just as far as we can see right now. Who thought of all this stuff? It seems that science can explain everything and do everything, and all of this is based on the very limited human brain and human knowledge. Yet, many put their confidence in science to know, or at least to be able in time, to explain everything. Some elements that are common to all these things is human ingenuity, a fanatical desire to know, and even more an ability to dream and have vision. Without someone's vision and dreaming, none of this would have been possible.

Isn't it funny how we can believe that science can do anything? Things that were thought impossible in ages past, and even not so long ago, seem everyday now. And yet, at the same time, we can limit and doubt the presence, the power and ability of God. We put limitations on what God will and can do! Chapter Six of St. John's Gospel is a good example of people putting limitations on God. Not only did most Jews and Gentiles of His day find His Eucharistic teaching impossible to believe, even Christians are divided over the same teaching.

Jesus says: "I am the manna that comes down from heaven." He will go on to say: "My flesh is real food; my blood is real drink. Unless you eat my flesh and drink my blood, you will not have life within you...I am the bread of life." As Catholics, we have a beautiful theology of the Eucharist, but it is not because of this theology that we believe in the "Real Presence" of Jesus in the Eucharist. We don't believe because we have a beautiful theology, rather, we have a beautiful theology because we believe. Most of all, however, we believe because Jesus tells us that the Eucharist is His body and blood: "My flesh is real food, and my blood is real drink." At the Last Supper, Jesus gives the bread and the chalice to His disciples and says: "This is my body given for you, this is my blood poured out for you. Take and eat; take and drink."

Is it possible for God to do such incredible things? Of course! If it is possible, why limit ourselves and God to the familiar and the ordinary. Be big enough to dream dreams and have vision and see what is

possible with God. As the Angel Gabriel said: “All things are possible with God.” So be courageous enough not to be afraid to dream, and dream big, believe, and believe big. When we receive Holy Communion – it is the Body and Blood of Christ. We know this because Jesus told us so. Faith is the greatest vision of all and allows the biggest dreams. ✚

RIDE TO CHURCH

We have a few parishioners who no longer drive and are looking for someone to take them to church on Sunday. To volunteer or get more information, call the Parish Office at 513-471-7741, ext. 410 on Monday or Wednesday between 9:00 a.m. and noon.

FUNERAL HOSPITALITY MINISTRY

Our Funeral Hospitality Ministry needs volunteers to help host funeral receptions in O’Connor Hall. You would be called as needed. The day of the reception, the time commitment is usually about four hours. If you are interested in helping or would like more information, please contact the Parish Office at 513-471-7741, ext. 0.

RITE OF CHRISTIAN INITIATION OF ADULTS – RCIA
RITE OF CHRISTIAN INITIATION ADAPTED FOR CHILDREN

Our RCIA process continues year-round. Because of this, adults and children can begin at any time. Most who come to the Catholic Church as adults do so because God has called them through other people. If you know someone who may be interested in the Catholic Faith, ask him or her to call us, or ask if he or she would like for you to call and make the first “contact.”

While new inquirers can join the RCIA process at any time, because of our lingering “school year mindset,” many people begin to really consider inquiring about the faith as the new school year begins. Now is a great time to reach out and mention becoming Catholic to someone you know who may be considering it!

Contact Deacon Mark Bardonaro at 513-471-7741, ext. 415 or deaconmark@stdominicdelhi.org for more information about our Mary, Queen of All Saints RCIA process.

ASSUMPTION OF THE BLESSED VIRGIN MARY

SAFE PARISH

With summer activities in full swing, we would like to remind all parish/school employees and volunteers of the requirements of the Decree on Child Protection. All employees and volunteers are required to have completed The Archdiocese of Cincinnati SafeParish: Protecting Children From Sexual Abuse – Archdiocese of Cincinnati Edition. New volunteers can register for SafeParish at www.aocsafeenvironment.org/.

With the school year beginning, volunteers need to be up-to-date on the quarterly bulletins or you will not be able to work/volunteer with youth until your SafeParish account is approved. If you did not get the bulletin, check your spam, or junk mail. You can also sign into your account at www.aocsafeenvironment.org. Go to the Training Tab and click on “Due” to see which bulletins are due and their due date. Please direct questions regarding bulletin completion to Deacon Mark Bardonaro, Safe Environment Coordinator at 513-471-7741, ext. 415 or deaconmark@stdominicdelhi.org.

ST. DOMINIC NEWS

ST. DOMINIC SCHOOL IS CELEBRATING 90 YEARS! – Come celebrate with us at Mass on September 8, 2024, at 9:30 a.m. A timeline of pictures will be on display in the Gathering Place along with light refreshments following Mass. Mark your calendars for the Alumni Open House on January 26, 2025. More information to follow.

ST. DOMINIC SCHOOL EARLY DROP-OFF – Volunteers Needed! Morning drop-off is looking for volunteers for next year. It is a great way to help at St. Dominic. Morning drop-off is very important to many families, and without volunteers like you, this program would not be a success. Volunteers arrive at 7:00 a.m. to open the gym and watch the kids until they are dismissed at 7:45 a.m. Even helping one day a week would be much appreciated. Volunteers can be parents, guardians, grandparents, or parishioners. Please contact (call or text) Jessica Lothes at 513-967-6296 or Danielle Moore at 513-484-9556 to volunteer!

ST. DOMINIC MORNING CAR LINE DROP-OFF – Volunteers Needed! We are looking to add more volunteers to help monitor the morning car drop-off line. This is a very important job as volunteers assist students in getting out of the cars, crossing the lot safely, and ensuring students and parents are watching where they are going in an effort to keep the children safe in the morning. Volunteers arrive at 7:45 a.m. and monitor the green drop off line until 8:15 a.m. Most volunteers can easily make it into work by 9:00 a.m. Even helping one day a week would be much appreciated. Volunteers can be parents, guardians, grandparents, or parishioners. (This volunteer opportunity does require the person to stand for thirty minutes.) Please contact the school office at 513-251-1276, ext. 3 or email Mrs. O'Brien at jobrien@g.stdominichelhi.org if you can help.
